Good afternoon Mr. Wesevich,

Thank you for your patience. We are currently working on our second interim response to your FOIA request. We are making sure we address specific parts of the request with their release determinations. Certain parts of this request may contain some sensitive information that could not be made publicly available but if those exist, we will make sure to address them in our interim/final letters.

We thank you for your patience and cooperation with us.

Sincerely,

Juan Vega

Subject: RE: [External Email] 2021-FEFO-00621 FEMA FOIA Interim Response

Good morning Mr. Vega-Sandoval. Thanks for your interim response to our FOIA request cited above. I've studied it and all of your other correspondence regarding this request, and I don't see that FEMA has yet made any determination at all as to whether it will grant or deny the request. Nor has FEMA stated any timeline as to when a determination will be made.

If this is wrong, please correct me. If this is correct, please let me have your determination and timeline by Monday, July 12, 2021.

Thanks kindly,

Jerome Wesevich
